I Saw Mommy Biting Santa Claus is a new spin on a holiday classic that tells the story of a suburban zombie outbreak and the little boy who knows just what to do. When Johnny finds out that his mother has turned into a zombie and has attacked Santa Claus, he knows that its up to him to put the living dead (back) to rest. While the chaos spreads from the mall to the Christmas parade, Johnny finds his friends Glenn, Barb, and Ben, and they devise a plan to not only protect themselves and their dog but to make sure to get to Grandmas house before the zombies take over town. While theyve planned for the worst, nothing could prepare them for watching jolly old Saint Nick get devoured by mindless zombies. This clever take on a Christmas tradition is right up the alley of anyone who ever wondered what would happen if a zombie outbreak took place during the holiday season. I Saw Mommy Biting Santa Claus is a beautifully gory tale thats sure to become a classic for fans of the holidays and the living dead.
