

# I Saw You in the Moon

After Crossing the Chemo Room, Lonna Lisa Williams cancer survival story continues in I Saw You in the Moon, book 2 of her Survival Stories. Discover what happened to her original characters and meet new ones in Lonnas further adventures. See how her children grew while she homeschooled them and guided them through figure skating and overseas excursions. Witness a California wildfire and a New Zealand glacier, battle with other cancer patients, overcome the sorrow of miscarriages, explore the enduring beauty of photographs and poetry, and experience the hope of Christs resurrection.
