

# Goat Song: Murder and Mayhem in Montmartre

Pelletier is a wonderful storyteller. She is a master of funny, bittersweet dialogue. A classic roman noir hero, the world weary inspector, is completely reinvented. Le MondeThe naked bodies of a male dancer and a young girl are found entwined backstage in the Moulin Rouge. A junkie is killed, his throat chewed open, the teeth marks human. Seemingly unconnected, these deaths form a sinister pattern involving crack dealers and shady property deals. Inspector Maurice Less is plagued by a female boss who bombards him with tales of her sexual exploits. Together they uncover a trail of fear and broken dreams that reaches from Corsica into the heart of Paris. Winner of the Grand Prix du Roman Noir de Cognac.
