

Illustrated Course Guide: Microsoft Excel 2010 Basic (Illustrated Series: Course Guides)

Loved by instructors for the visual and flexible way to build computer skills, the Illustrated Course Guides are ideal for teaching Microsoft Excel 2010 to students across experience levels. Each two-page spread focuses on a single skill, making information easy to follow and absorb. The Illustrated Course Guides split Microsoft Excel 2010 concepts and skills into three manageable levels -- Basic, Intermediate, and Advanced -- perfect for workshops or accelerated courses. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
