

# Im Not High: (But Ive Got a Lot of Crazy Stories About Life as a Goat Boy, a Dad, and a Spir itual Warrior

A hilarious memoir from comedian Jim Breuer, with inside stories from his career in comedy as well as deeply personal moments from his life. With his goofy smile, sleepy eyes, and stoners laugh, Jim Breuer might not appear to be the most introspective comedian out there. The fact that he made his mark playing Goat Boy on Saturday Night Live and a recalcitrant toker in the stoner classic Half Baked likely doesnt help his reputation at all. But in Im Not High, we meet a whole new Jim Breuer. Jim dishes on everything from the SNL years to his early adventures in film. The cast of characters includes Chris Farley, Dave Chappelle, and Tracy Morgan-who all taught Jim lasting lessons about the high-stakes game of fame. He also chronicles the role family has played in keeping him honest. Whether hes arguing with his wife about religion, taking care of his kids, or helping his ailing father get through the day with his dignity intact, its clear that some of Jims best material comes from his best moments as a son and a dad and a husband.
