

Is Laughter The Best Medicine?

If you like to laugh, you should really enjoy reading this book. Over the years, a lot of funny things have been said or written by people or organizations that weren't intended to be funny but because of the wording, what they said and what they wrote are hilarious. Examples of the book contents: Church Bulletin Bloopers This being Easter Sunday, we will ask Mrs. Lewis to come forward and lay an egg on the altar. The service will close with, Little Drops of Water. One of the ladies will start quietly and the rest of the congregation will join in. History as seen by college students: Writing at the same time as Shakespeare was Miguel Cervantes. He wrote Donkey Hote. The next great author was John Milton. Milton wrote Paradise Lost. Then his wife died and he wrote Paradise Regained. Lawyers Cross Examinations (1)Attorney: Were you shot in the fracas? Witness: No. I was shot halfway between the fracas and the navel. (2)Attorney: You say that the stairs went down to the basement? Witness: Yes. Attorney: And these stairs, did they go up also?
