

Ill Get You! Drugs, Lies, and the Terrorizing of a PTA Mom (true crime)

TRUE STORY! FEATURED ON DR. PHIL! PTA president Kelli Peters had a normal, happy life in Orange County, California, where she volunteered at her daughters school, carpooled, and took care of her family. When a school parent angrily accused Kelli of keeping her son waiting during the afterschool pick-up, it appeared to be a simple confrontation with an overprotective mother. Kelli soon learned, however, that she was the target of a twisted plot against her that involved drugs, lies, schemes, and a campaign to ruin her life. The vendetta led to reputations tarnished, careers lost, secret lives uncovered, two parents in jail, families destroyed, and a \$5.7 million dollar civil judgment. Ill Get You! Drugs, Lies, and the Terrorizing of a PTA Mom is the true story of an ordinary American woman who survived an evil conspiracy that turned her life upside down and shook her hometown to its core.
