

Expat: Survival of an Expatriate in Latin America

An American expatriate working as a manager of a newsmagazine, Whitt finds himself surrounded by compelling, oftentimes dangerous individuals with little or no interest in anything other than obtaining political achievement and monetary gain. In defense of his company and himself, Whitt finds himself in many a compromising, even dangerous, position, upholding loyalty to his native United States of America, his colleagues, and himself. Enter the social scene as Whitt solidifies friendships, embraces cultural norms, and finds time to explore the exciting social scene Latin America has to offer.
