

Look Out, Doctor!

Doctor Bob lives in Tadchester on the Somerset coast. Its a good little town, but like all English country towns it has its fair share of interesting cases . . . To start with, theres young Mr Haggard who has a thing about doctors. Then theres Mr Wood, the amorous but underdeveloped photographer with a crush on Amazing Grace the receptionist . . . not forgetting Mrs Short with her secret addiction; Charlie Sloper, the local poacher and supermarket shoplifter; the accident-prone Aubrey Cattermole; and last but not least, the rugby team from Drakes College who develop a mysterious and embarrassing ailment after an away match at a London night club. And the strangest thing about these cases is, theyre all true!
