

Mafia Cop: The Two Families of Michael Palermo; Saints Only Live in Heaven

Detective Michael Palermo built his career on his unique ability to inhabit two worlds at once: the world of law enforcement and the underworld of New York's crime family organizations. Palermo participated in over two thousand arrests while maintaining close relationships with the kingpins of organized crime that allowed him to stay one step ahead of the rest of the New York City Police Department. This true crime drama takes you inside the police force at its most corrupt and into the dark and dirty world of dons, consiglieres, underbosses, button men, soldiers, and cowboys.
