

Master the Basics: English

The newly enlarged and updated edition of this useful book for ESL students covers all the fundamentals of English grammar and usage, including parts of speech and typical verb patterns in sentences. All English verb tenses are presented in detail, and instruction is presented in forming questions and answers, punctuation and capitalization in written English, and much more. The book also features summary grammar rules, illustrative word charts, and brief tests with answers to help students gauge their progress in mastering the English language.
