

Nietzsches Futures

What are the roles of human exemplars, moral perfectionism and noble ethics in our self-overcoming? What place does laughter have in Nietzsches vision of the future? What contribution can Nietzsche make to the issue of humanitys relation to the natural world in an age of ecological crisis? This wide-ranging collection of essays explores various aspects of Nietzsches thought, centered around the general issue of futurity. Contributors include such leading Nietzsche scholars as Keith Ansell Pearson, Daniel W. Conway, Kathleen Higgins, Laurence Lampert and Graham Parkes.
