

Schirras Space

Easton Press, Norwalk, CT. 1997. Leather bound, full genuine leather. Bound in high quality black leather, lettering and decoration on covers and spine in 22kt gold, hubbed spine, all page edges gilt, silk bookmark sewn in, satin moire endpapers, and acid neutral pages sewn for durability. Certificate of authenticity, COA. Signed by astronaut Walter (Wally) M. Schirra, Jr. One of Americas first astronauts and the only one of the original seven to fly in all three pioneering space programs - Mercury, Gemini, and Apollo - Wally Schirra inherited a love of flying and spirit of adventure from his World War I-ace father and barnstorming, wing-walking mother. In this revealing autobiography, Schirra takes an inside look at the early days of spaceflight and the men who captured the heart of the nation.
