

Pass ECDL4 Module 6: Presentation Using Microsoft PowerPoint 2003 Module 6 (Payne-Gallway Pass ECDL)

Written in a lively but straightforward and easy-to-follow style, this book will be an indispensable guide for all students studying for the ECDL qualification. This book covers the following module: Module 6: Presentation You will learn how to use MS PowerPoint to create a presentation using different slide layouts for either projecting on a screen or printing as handouts. You will learn how to insert text, images, charts and drawn objects into your slides and add special effects for a stunning presentation. Step-by-step instructions, jargon-free text and lots of screenshots make this book ideal for either class teaching or individual study. Requires no previous knowledge. Uses PowerPoint 2003 software (can also be used with PowerPoint 2002 (XP)) Practical approach and sample exercises to build confidence. Endorsed by ECDL. A single book covering all 7 modules of the qualification is also available.
