

## Newb: A Guide to the Basics of Gaming

If you've ever wondered what is a guild and why you should join one, what the difference is between console gaming and online gaming, or how you get started playing games online, *Newb: A Guide to the Basics of Gaming for Beginners*, answers those questions and more. *Newb*, the new book from Corey Hardin, the author of *Vault Dwellers Secrets* takes you inside the world of gaming. Topics covered in the book include the different types of gaming (console, computer, mobile, online), basic accessories you'll need to get into gaming, the different types of games (first person shooter, role-playing, sim games, social) and more. This is a must-have resource for novices--those just getting into gaming--and adults who want to understand what gaming is all about.
