

Quickbooks 2010 + Data (ILT)

This ILT Series course covers the fundamentals of using QuickBooks 2010 to track the finances of a small business. Students will learn how to set up a new company, manage bank account transactions, maintain customer, job, and vendor information, manage inventory, generate reports, and use the Company Snapshot window. Students will also create invoices and credit memos, write and print checks, add custom fields, set up budgets, and learn how to protect and back up their data.
