

## QuickBooks Complete - Version 2015

The QuickBooks 2015 Complete textbook from The Sleeter Group offers more than just typical software instruction. It is packed with hands-on step-by-step exercises that have students working directly in QuickBooks while they learn the accounting behind the scenes and the best practices. It provides a complete experiential learning environment with a 140-day QuickBooks software license, sample data files (work with U.S. QuickBooks only), and practice exercises so the students can apply what they are learning in class. QuickBooks 2015 Complete includes vivid, color graphics and screen shots that explain how to do complex transactions in QuickBooks, making learning interesting and fun. Professors receive extensive support materials, including an Instructors Manual, PowerPoint slides, test banks, and solution files to all exercises. Professors may request evaluation copies for review. Help your students navigate the advanced topics they will face in the work world. Each chapter includes a Sleeter Report section, with references to cutting edge current topics in Accounting Software Technology. QuickBooks 2015 Complete contains everything a student needs to be successful using QuickBooks. This book incorporates managing revenue and expenses, bank reconciliation, payroll and more. Topics include:

- The Sales Process
- Revenue-Tracking
- Expense Management
- Bank Reconciliation
- Reports and Graphs
- Setting up and Maintaining a Company file
- Customizing QuickBooks to Meet Your Companys Needs
- Inventory
- Time Tracking
- Payroll
- Estimates and Sales Orders
- Budgeting, Forecasting & Business Planning
- Adjustments and Year-End Procedures

QuickBooks Complete 2015 has been fully updated to the QuickBooks 2015 version. Now printed in full color.
