

The Best of Dot Com Humor

My main reason in writing and editing this book is to make you laugh out loud. Taking a brief look at humor and how the Internet may have altered the face of humor finishes a distant second to my desire to amuse you. Explaining how you may use humor to your advantage in life will be of interest but again, the meat of this coconut is in the stories and Internet sites that can be used and revisited many times over. E. B. White said Humor can be dissected, as can a frog, but both die. Please consider my review of Internet humor and the secrets of using humor in your life as background information that will allow you to enjoy more fully the stories and websites shared here. Michael L. Turnbull
