

Microsoft Word 2010: Advanced [With CDROM] (ILT)

This ILT Series course builds on the skills and concepts taught in Word 2010: Intermediate. Students will perform mail merges, create and use forms, and create master documents that include a table of contents, a table of figures, footnotes, endnotes, an index, bookmarks, cross-references, and Web frames. They will also create macros, customize the ribbon and Quick Access toolbar, and work with XML documents. Course manual comes with CertBlaster exam prep software (download). This course will help students prepare for the Microsoft Office Specialist exam for Word 2010 (exam 77-881). For comprehensive certification training, students should complete the Basic, Intermediate, and Advanced courses for Word 2010.
