

The Golden Rules Of Blogging

Do you really need to post every day to make your blog a success? Is it true you should never steal stuff? Can anyone make money from a blog? Blogging hasn't been around for ever, and yet any blogger will tell you there are rules what to do, what not to do, the facts. But where did they come from? And should we be breaking them? Designed for bloggers of all levels of experience, this book takes a hard look at twenty-eight of the blogosphere's golden rules and shows you when, why and how to break them. Illustrated with real-life Blogger Stories and examples plus Expert Comments from those who've learned the hard way, *The Golden Rules of Blogging (and When to Break Them)* will give you a fresh perspective on blogging. Out with the rules? You decide!
