

# Searching for Bobby Fischer: The Father of a Prodigy Observes the World

Searching for Bobby Fischer is the story of Fred Waitzkin and his son Josh, from the moment six-year-old Josh first sits down at a chessboard until he competes for the national championship. Drawn into the insular, international network of chess, they must also navigate the difficult waters of their own relationship. All the while, Waitzkin wonders about and searches for the elusive Bobby Fischer, whose myth still dominates the chess world and profoundly affects Waitzkin's dreams for his son.
