

Sempe: A Question of Balance Postcards

A set of 24 postcards on a cycling theme, presented in a cloth-covered clam shell box, featuring illustrations by Jean-Jacques Sempe, one of the most successful and best-loved cartoonists in the world. Sempes drawings and watercolours are funny, charming and instantly appealing. The postcards feature cyclists of all shapes and sizes: there are professional racers as well grannies with baskets full of shopping, small children wobbling along on two wheels for the first time and couples in love who are more than happy to squeeze onto a bicycle made for one.
