

# Social Media Workbook: Tell Your OWN Story. (Single Manager Edition)

THIS IS AN OLD VERSION, A NEW MORE RELEVANT WORKBOOK IS BEING WORKED ON!(2014) THE PRICE HAS BEEN DISCOUNTED FOR PRACTICE ONLY! If you are still flipping through this workbook you are really serious about finding a better way to managing your personal or professional networks. I was just like you, looking for that Perfect Way when I discovered that all the tables, all the charts, post its notes, and email reminders were enough to make a proud man insane!!!! After all social media was suppose to be fun, right? The Social Media Workbook is not for people who need to learn how to set up networks but rather for people who have established their networks but would like to monetize their value without going completely crazy. The guides in this workbook will show you what I use to manage over 100 networks on a day to day basis. I am sure many of you would just like to know how to manage one or two, so I am offering the guides I use to help you in your marketing efforts. I believe the guides in this publication will help you KICK BUTT in your day to day social media marketing efforts. I use them personally and I offer updates when i notice something better that works for me. Please feel free to visit [www.portiachandler.com](http://www.portiachandler.com) to find out more about my company I put this guide together to help some of my clients see what all goes into creating a successful Social Media Strategy. The guides in this publication will answer questions you should be asking yourself or your clients to effectively run and maintain your social media networks.
