

Spectacular Egypt (Spectacular Series)

Egypt is a country of visual and visceral powers, from the Nile Valley where timeless customs resist the pace of modern cities, to the awe-inspiring landscape of the desert. Featuring 180 color photographs including 18 pages of panoramic gatefolds by some of Egypt's most distinguished photographers, the images that appear in this oversized landscape format pull the reader close to majestic rock formations, flourishing oases, extremely rare wildlife, and a vast coral reef. Insightful text helps the reader learn about Egypt's ancient and modern influences.
