

Test Your Bridge Play Volume 2

BECOME A BETTER DECLARER - AND EDDIE KANTAR PROMISES IT WILL BE RELATIVELY PAINLESS! The problems in this book are not for experts - they are, however, for those whose ambition is to become better bridge players. They involve the everyday cardplay maneuvers that you have to master if you are going to improve as a declarer. As you work through this book, you will encounter more than one example of each theme - endplay, avoidance play, etc. This is intentional - it is important to recognize these situations, and by the end of the book you will be able to do just that. You are making progress if you get a problem wrong the first time its theme appears, but spot it the next time it comes up. And if you have a friend who keeps going down in cold contracts, you could not do him/her a better favor than to give them a copy of this book.

Eddie Kantar - The Bridge World Test Your Bridge Play Volume 2 Paperback. BECOME A BETTER DECLARER - AND EDDIE KANTAR PROMISES IT WILL BE RELATIVELY PAINLESS!
