

## Victoria The Art of Taking Tea

From the serene tea ceremonies of Asia to the lavish cream teas of England, take a delicious taste of a very special tradition. Connoisseurs interested in hosting a tea party, finding a salon that serves 240 different blends, or getting expert advice on pairing tea with a variety of foods will find it here and lots more--including an insiders view of how tea is enjoyed in New York, Boston, Paris, and beyond. The exquisite photos capture all the elegance and charm of pretty teapots, teacups, and saucers; all the temptation of the luscious-looking cakes, cookies, muffins, and scones that accompany the tea; and all the appeal of a beautifully set table and restful space to sit and sip. Throughout, lovely quotations extol teas incomparable style and spirit.
