

The Burglar Diaries

Here's a first-person account of a petty thief, Bex. He's a bit of a geezer, who, with long-time partner-in-crime Ollie, just about gets by on the money he makes from house-breaking in small-time suburbia. Bex talks and walks us through a dozen note-worthy jobs and give us his thoughts on life, love and nicking. Includes an exclusive recorded interview with the author.
