

The Journal Of Latrobe: Being The Notes And Sketches Of An Architect, Naturalist And Traveler In The United States From 1797-1820 (1905)

This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the worlds literature in affordable, high quality, modern editions that are true to the original work.
