

Redneck Rolls and Other Dining Atrocities

Every once in a while, a good idea comes along, and then there are the ideas that are helped out by a sense of ridiculousness and the sphere of haplicity. This is one of them.

This started as a silly look at sushi, with a glass of wine and ended with a notebook full of recipes and the desire to make it happen. After being served at various anniversary parties, potlucks and family gatherings, I was informed that I HAD TO create a cookbook. The family loved the Original Really Redneck Roll. This was all based off that creation. I hope you all have as much fun as I did with this. YES! You can play with your food!
