A rich, humorous and wise miscellany of stories and verse by the distinguished Irish author, Gabriel Rosenstock. Welcome to the quixotic world of Krishnamurphy and the fundamental tenets of Spiritual Anarchy. A sage? A maverick? A complete idiot? Is he fooling his followers or are they awakening, one by one, to the deepest mysteries of life and the core of their own being? Gabriel Rosenstock is the author/translator of over 150 books, including 13 volumes of poetry and a volume of haiku, mostly in Irish (Gaelic). Prose work includes fiction, essays in *The Irish Times*, radio plays and travel writing. He has given readings and performances in Europe, US, India, Japan and Australia. He is a member of Aosdana (Irish Academy of Arts & Letters).
