

The Politically Incorrect Nite B4 Xmas

A spoof, sometimes dark and twisted but always humorous, of Clement Moore's VISIT FROM ST. NICHOLAS, this book exposes a seamier side to the holiday associated with unfettered merriment and the all-giving St. Nicholas. This Nite B4 version is a respite from the political correctness that has dominated the world for far too long; a balm for those who see the Simpsons, Southpark etc. as a fresh current rippling through our otherwise stagnating communal psyche. Written by mother and son team, Sarah Clayton and Nicholas Clayton-Syrrist, and illustrated by world renowned British artist Jerry Heath, this parody is exceptionally executed... and internationally tasteless.
