The Prime Time Crime (OR what are Charlies Devils, Kojacket, a Jung Soo Priest and Tony Borrota doing at Shropshire manor and does the Phantom know that this is no ordinary buzzard?)

Cast: 17m., 8w. (Flexible.) A comedy spoof in which parodies of the television prime-time crime fighters all descent on Shropshire Manor, nearly knocking each other down as each, in their own special way, tries to solve a humorously complex Agatha Christie sort of mystery! A diabolical plot is unfolding and the relatives are dropping like flies. Murder most foul! Who is the Phantom? No one knows. But he haunts the halls and rooms, wearing black and showing no mercy. The local constable is unable to handle it. One int. set.
