

The Secret Life of Word: A Professional Writers Guide to Microsoft Word Automation

The Secret Life of Word: A Professional Writers Guide to Microsoft Word Automation, looks at Word from the perspective of technical and other professional writers. It gives writers an in-depth look at the hidden capabilities of Word, and shows how to take advantage of these capabilities without being a programmer. The Secret Life of Word will help you master the full gamut of Word mysteries, including AutoCorrect, QuickParts, BuildingBlocks, macros, Smart Tags, program-less VBA programming, and much more. There's something here for everyone who uses Microsoft Word, from new users to experts.
