

Screening Party

Mares still P.O.-ed at Rob in the next scene, in which the gang shows up at St. Elmos on Halloween night sporting Groucho Marx-style nose glasses. This is the one night a year where Judd Nelson feels normal, says Tony. In this scene, Robs sax-synching is so powerhouse that Demi, whos newly crimped hair makes her look like an albino Pointer Sister, is compelled to dry hump the jukebox. Im obsessed with this moment coming up, says Marcus, where Rob starts clapping and says, Lets rock! I think he looks so awkward. Just then, his wife traipses in looking like Pat Benatar from the Love Is a Battlefield video. When Rob notices shes with another man, all hell breaks loose. Get your hands off of my wife! threatens Rob. With narcissists, explains Dr. Beaverman, everything belongs to them. They see everything as an extension of themselves. They are not independent objects. Dr. B takes a swig of Snapple and adds,unlike whatever Demis got stuffed into her bra which seems to have a mind of its own. And check out that metallic lip gloss, says Tony. It looks like she just went down on C3PO in the bathroom.-Screening Party on St. Elmos FireIt started as a series of articles for the British version of Premiere, and Instinct Magazine, but soon took on a life of its own. Dennis Hensley, author of the bestseller Misadventures in the (213), has been getting together with 5 friends to watch and debate, rant, criticize, and reminisce about films that are both recognized classics and guilty pleasures. Partway through this deconstruction of memorable cinema, you will encounter this musing on Armageddon: What girl would make out with her boyfriend in front of her dad? wonders Tony, as Liv straddles Ben and sucks his face off while Willis and company look on. She mounted him in a sundress in front of her dad. If youre tired of plodding through earnest studies of films impact on society, these words alone

should convince you that this book is anything but. Dennis Hensley is a Los Angeles based journalist whose writing has appeared in Movieline, Premiere, The Advocate, and other publications. He is the author of the n
