

The Trial of Ruby McCollum: The true-crime story that shook the foundations of the Segregationist South!

This is the true crime story of the famous Florida murder case in which a wealthy African-American wife murders her white physician and senator elect lover in the Segregationist South. It contains a novella recounting the story and the full transcript of the trial--the only copy that currently exists. This edition is spiral bound and printed on 8 1/2 x 11 paper with wide margins for students to make notes.
