

Confessions of a Cruise Lecturer

I have been a cruise lecturer for many years, with my wife and I traveling all over the world at the expense of cruise lines. Confessions of a Cruise Lecturer is based on my experiences. Here's what you will learn from this book: What cruise lines are looking for Booking agencies and what they expect Passing the test - How to get approved to even be considered as a cruise lecturer How to write a proposal to be a lecturer on a particular cruise How to prepare your lectures What are the special techniques you need to lecture on the unique cruise ship environment What you need to bring with you Interacting with fellow passengers and cruise staff What the cruise lines expect from you How to manage your cruise lecturing career Happy (and free) cruising!
