

# MCSE: NT Server 4 Support and Maintenance Study Guide

Aimed at candidates preparing for the Supporting and Maintaining a Microsoft Windows NT Server 4.0 Network exam (#70-244), this text provides review questions, exam essentials sections and Real World Scenario sidebars. The CD contains pre-assessment exams to help readers identify their weak spots, electronic flashcards to help reinforce key information, two bonus exams to assess knowledge retention, and a searchable e-Book which should allow readers to study anytime, anywhere.
