

A Study of the Cognomina of Soldiers in the Roman Legions (Classic Reprint)

Excerpt from A Study of the Cognomina of Soldiers in the Roman Legions I take this opportunity to express my obligation to all my teachers at Dartmouth and Princeton. Especial thanks are due to Prof. Frank Frost Abbott, whose assistance and encouragement have been generously given to me during the preparation of this dissertation. I am indebted also to Prof. Duane Reed Stuart for many helpful suggestions. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
