

Titanic - A Perfect Crime

A ship's captain, with the benefit of state-of-the-art submersibles is sent on a mission, ostensibly to document and photograph the last resting place of the historical TITANIC ship. Gold fever takes hold, when it becomes known that a fortune in treasure may be down there with her. But this all pales when the expedition uncovers facts and evidence that throws the world they thought they knew, into a new, frightening and all-too-real perspective. Written by a documentary and dramatic film maker, this novel has all the hallmarks of a best-seller. Historical fact is woven into an exciting, suspense-filled and dramatic story that is simply a MUST READ for those who want a deeper look at the Titanic saga.
