

HARTISKA Magazine Issue 2: The Name of High Fashion

What is HARTISKA? Hartiska is derived from the Icelandic language words har tiska, the oldest and known as the conservative language comparable to Latin that hasn't changed for the last 800 years, to directly translate to high fashion. Born and established within the heart of New York City as the definite name for everything in high fashion, HARTISKA covers different artists, well-known people, as well as regular everyday folks who are creating masterpieces that inspire wonder and awe, and to entertain and inform with extensive insider coverage of fashion, nightlife, music, arts, culture, events, luxurious living, and more. HARTISKA Magazine is the premium high-end magazine devoted to everything high fashion around the world. Now experience the real high fashion lifestyle through HARTISKA!
