

## To Bid or Not to Bid (Master Bridge)

One of the most difficult areas in bridge is competitive bidding at part-score and game levels. This remarkable book, a world-wide bestseller deals with this problem and introduces the law of total tricks. The law, which is based on the trump holdings of the two sides, has been used to devastating effect in numerous international competitions. This dynamic system is clearly and simply explained in To Bid or Not to Bid, and all serious bridge players will have to know about it. Here is their chance. Anyone who has not read Larry Cohens now classic To Bid or Not to Bid should buy it now, lock themselves in a well-lit room, and devour it before setting foot in their club again Financial Times
