

## Tour de Force: The nomadic journey of Americas most famous document (Short non-fiction work) (Secrets from the Archives Book 7)

If George Washington hadn't promoted Horatio Gates to Major General we might never have known how hard Thomas Jefferson labored to write the Declaration of Independence. That promotion set off the events that led to a remarkable discovery in 1947. But Jefferson's immortal creation almost didn't survive the care it received from its guardians. The Declaration traveled a winding and treacherous road to its present-day shrine at the National Archives. Each short story in the Secrets from the Archives series reveals the true life adventures of intriguing historical documents. Explore a world of spies and secret chambers, startling discoveries and centuries-old mysteries. Discover the secrets from the archives.
