Reviews of earlier editions of this guide:  
\* This book is concise, relevant and helpful. Totally recommended. - H. Rehamn \* Plenty of information written from the point of view of someone who seems to have spent rather too much time at Disney resorts, but thats just what you want: they know all the tricks and if wed bought the book before we booked, wed have saved lots of money too... - Nick \* Amazing. Absolutely invaluable. You could spend weeks trawling the Internet for all this information and no doubt miss some important bits.. Brilliant book. A tenner very well spent. - Cren85 \* We have just got back from a weekend at Disneyland Paris and this guide was invaluable. I would highly recommend it - read it before you go and use it to plan your stay. It helped us to be much more organised and as a result we did everything on my list plus things that I had not thought wed have a chance to do. I found it to be really accurate and detailed and obviously written by people who know the resort inside out. - C. Chandler \* Quick and easy to read. Will be using this to plan our trip to Disneyland Paris for Christmas 14. Just a shame I didnt see it before we visited during the summer - we missed so much we could have been doing with our two young girls! - MumJ
