

Overweight Sensation: The Life and Comedy of Allan Sherman (Brandeis Series in American Jewish History, Culture and Life)

In *Overweight Sensation*, Mark Cohen argues persuasively for Sherman's legacy as a touchstone of postwar humor and a turning point in Jewish American cultural history. With exclusive access to Allan Sherman's estate, Cohen has written the first biography of the manic, bacchanalian, and hugely creative artist who sold three million albums in just twelve months, yet died in obscurity a decade later at the age of forty-nine. Comprehensive, dramatic, stylish, and tragic, *Overweight Sensation* is destined to become the definitive Sherman biography.
