

Epcot Secrets: Best Disney World Vacation Guide of Tips & Fun in 2015

Epcot is perfect for your family to visit while the Walt Disney World Resort. As a Disney World guest first (and author second) I love this theme park because it has so much to offer and its not like the other Disney parks. It might be a unique park, but you still can have a great time with the family. My book Epcot Secrets: Best Disney World Vacation Guide of Tips & Fun in 2015 is a straightforward look at Epcot with an emphasis on the tips for this special place. The details found in this 99-cent guide go beyond the typical information that is found on Mickey's website (and I encourage everyone to use the parks website for up-to-date hours, events and more). Written from a guests perspective this book will pay for itself by using one piece of advice and there are plenty of ideas to choose from!! Need examples? Heres a few:

- * Where is the most financially reasonable place to sit down and eat at the park? Electric Umbrella has a decent assortment of foods that are simple and even the kids will enjoy the place. Plus there is plenty of seating and you can serve your own tea and soda.
- * What is the best place to find air conditioning while still being entertained in the middle of the afternoon? The American Adventure is a 30-minute presentation that gives an overview of our country. Add the air conditioning, seating and catchy tunes and this will be the most exciting history lesson you have had all year. Perfect for getting out of the heat midday.
- * Best place to take a picture and see almost all the park? Coming in on the Monorail guests are able to see the entire lay of the land and its a perfect place to have a snapshot of the vacation that will include everyone in your party and have the background of Epcot. This guide is packed with little things that I have learned going to the park every other month. Making your trip enjoyable, the more you know before you go, the better the chance to

really have quality family time. This book was written in April 2015 and has new photos. Epcot is a popular location at the Walt Disney World Resort. Consider my inexpensive book of tips for your next vacation. Who knows, I might see you there too as I love it there. My favorite ride out of all the Disney Resort properties is at Epcot. What is it? Test Track! Have fun and thank you!
