Do you know why people pay so much money just to watch TV? Why is AM radio almost all talk and FM radio is most commonly listened to for music? All those things and a lot more in the adventures of Doug deLeon as he goes through life drunk, stoned and then, finally, sober. Ive seen a lot of interesting things between 1951 and the year 2000, all are interesting, a few are sad, and most are funny. I put them all in this book!
