

Health, Humor, and a Hole in the Wall: Dealing with Aging, Health Problems and the Medical Community from a Humorous Perspective

Health, Humor, and a Hole in the Wall is a true story of one mans challenge in dealing with aging and the medical problems that go along with being over the hill. This humorous, down-to-earth personal narrative chronicles actual medical proceduressometimes with hilarious results! The books purpose is to entertain, enlighten and enlarge our perspective on dealing with the reality of health issues as we enter the twilight zone of life after 40. Its a humorous message for all ages and instills a positive outlook on life with a few survival tips thrown in along the way. If youve ever had the urge to shake your finger at the Grim Reaper and tell him that youve had enough and he can take his scythe and stick it some place where the sun never shines, then this is the book for you!
