

## Webdoctor: Finding the Best Health Care Online (Quality Medical Home Health Library)

WebDoctor cuts through the clutter on the Internet by cataloging the best health sites and organizing them by major topics. A free CD-ROM with links to all the sites discussed in the book is included. It will save you the time and trouble of typing difficult URLs and will make your navigation easier. In addition, it contains a free copy of Microsoft's Internet Explorer. The CD-ROM is compatible with both PC and Macintosh platforms and the links are compatible with Internet Explorer and Netscape Navigator.
