

Wife Overboard: a murder mystery that reveals the dark side of the cruise travel industry

REVIEW Wife Overboard was given the Cruise Bruise Editors Choice Award, who called it A Blueprint For Cruise Ship Murder woven into one of the best cruise ship murder mysteries of all times, with a moral to the story and a twist in the tail that few will guess. BOOK DESCRIPTION Michael and his wife love their cruising holidays, but Michael does not love his wife. How much fun would life be without her? Michaels research uncovers a dark side to the cruise industry, when he discovers how many people a year go missing on cruise ships. Has Michael found the perfect murder so that he can be with his wifes best friend? You will never look at the cruise industry in the same way again. Think twice if your partner asks you to go on a cruise or at least read this book first.
