

## Europes A-List: The Movers and Shakers of the European Cyber-Scene

Who matters most on the internet's next frontier? The Rupert Murdoch-sized media titans with cash and clout? The whizkid-the-not-yet-30-somethings with nothing but drive, time, and risk-worship? The techno-wizards, the venture capitalists, the networkers, and the pioneers? The landscape of Europe's internet economy is changing by the second and so are they. This book profiles the top fifty names in the new establishment of Europe's economy.
